

114R UWB

- LONG-LASTING PERFORMANCE
- DURABLE CONSTRUCTION
- FUEL EFFICIENCY

114R UWB

REGIONAL HAUL TRAILER TIRE

BUILT FOR THE ROADS YOU TRAVEL

Introducing the all-new 114R UWB. A durable, SmartWay verified, regional haul trailer tire specifically designed to meet the demands of high scrub operations. With superior cut and chip resistance, extended tread life, and an overall optimized fuel-efficient design, the 114R UWB is ready for duty.

16/32" TREAD DEPTH

Optimized tread depth delivers maximum efficiency and extra-long tread life.

ZERO DEGREE BELT

The cornerstone to our highly durable and retreadable casing, the Zero Degree Belt creates a consistently stable footprint for long, even wear.

FUNNEL-SHAPE STEPPED GROOVES

Prevents stones and other debris from reaching the bottom of the grooves where casing damage can occur.

CUT & CHIP RESISTANT COMPOUND

Our advanced compound offers cut and chip resistance without sacrificing rolling resistance or wear performance.

CASING WARRANTY

Backed by a 6 year,
3 retread casing warranty

NEWLY-DESIGNED TREAD PATTERN

Ground contact pressure is uniformly distributed resulting in greater stability, flawless tracking and improved fuel efficiency.

Yokohama tires are subject to an ongoing development process. Yokohama Tire (Canada) Inc. reserves the right to change product specifications at any time without notice or obligation.

Our STEM-2 technology reinforces the casing, minimizing the damaging effects of strain energy created from heavy loads, heat, rough roads and everyday operations.

The 114R UWB is one of many Yokohama tires designed to meet SmartWay's stringent low rolling resistance criteria.

YOKOHAMA EMERGENCY SERVICE - 1.800.282.1570

With a multitude of services available, Yokohama is saying "YES" to your fleets' emergency roadside tire needs around the clock and throughout Canada and United States.
