ALL-POSITION

## ALL-SEASON PERFORMANCE

The all-new Yokohama 115R is an N-Speed rated all-position tire engineered specifically for emergency vehicles or other class 4 & 5 vehicles when all-season, high speed capabilities are a must.

**MIDDLE WING BLOCKS WITH TIE-BAR CONNECTORS**  
Control block movement to resist wear and reduce rolling resistance.

**WIDE LATERAL GROOVES**  
Provide increased traction on wet or snow covered roads.

**SERPENTINE GROOVES**  
Deep circumferential grooves maintain aggressive traction throughout the life of the original tread.

**SIDEWALL PROTECTION**  
Defends against damage caused by curbing and scrubbing in typical urban operations.

**ADVANCED TREAD COMPOUND**  
Heat resistant compound increases tread life and optimizes fuel economy.

**N-SPEED RATED**  
Durable casing construction is rated for speeds up to 140km/h.
